STATEMENT OF PROBABLE CAUSE
(For issuance of an arrest warrant or summons)

I state that on 25 Dec, 2019 while exercising my duties as a
law enforcement officer in the Eastern District of NC

At 2151 hrs, 29 Dec 19, Person(s) unknown reported a traffic
accident to the Fort Bragg E-911 Dispatch Center. 5-12 Pena was
dispatched to Vass Rd./Kenwood Ave. Investigation by 5-12
disclosed that at the above time and date of occurrence, Vehicle 1
was traveling west on Vass Rd. in lane 1 and failed to maintain the
limits of its lane, resulting in vehicle 1 exiting the right side of the
roadway. The front of vehicle 1 struck a sign. A canvas of the area
for additional witness(es) met with negative results. Upon approach
of Shanks, the driver of vehicle 1, 5-12 detected an odor of alcohol
emitting from Shanks' person. Further investigation revealed Shanks
had a concealed firearm on his person under the influence of
alcohol. Shanks also failed to notify 5-12 that he was in possession
of the firearm. Standardized Field Sobriety Tests were conducted
which warranted further action. Shanks was apprehended,
transported to the Fort Bragg Law Enforcement Center and
administered an Intox EC/IR II test, resulting in a (.14% AC).
Shanks was issued four citations with his mandatory court
appearance at 0800 hrs, 08 Jan 20. Shanks was also issued a one
year suspension of post driving privileges, further processed,
escorted to the edge of post and released on his own recognizance
on DD FM 2708. No injuries were reported on scene. ECOD is
unknown. Shanks' vehicle was inventoried on DD FM 2506 and
subsequently towed by Beacon Towing Company. Report was
reviewed and further processed by Desk Sergeant Gott. This is a
final report.

The foregoing statement is based upon:

- ☐ my personal observation ☒ my personal investigation
☐ information supplied to me from my fellow officer's observation
☐ other (explain above)

I declare under penalty of perjury that the information which I have set forth above and on the
face of this violation notice is true and correct to the best of my knowledge.

Executed on: 12/29/2019
